

ESN FINT

Information for international tutors

What is ESN?

Erasmus Student Network (ESN) is the biggest student association in Europe.

We are present in more than 1000 Higher Education Institutions in 39 countries. The network is constantly developing and expanding.

ESN is operating on three levels: local, national, and international.

ESN works for the creation of a more mobile and flexible education environment by providing an intercultural experience also to those students who cannot access a period abroad.

What is ESN FINT?

ESN FINT is a non-profit student organisation that provides quality free-time activities for all internationally-minded students in Tampere, including exchange students, international degree students and local students.

ESN FINT stands for Erasmus Student Network, Finns and Internationals in Tampere. ESN FINT is the local section of ESN in the Tampere University. We are located at the Centre Campus but our membership is open for all higher education students in the Pirkanmaa region!
